

## **Chemistry Contest Rules and Other Information**

**Chemistry Contest Coordinator:** Ms. Susan Michael

### **Chemistry Contest Rules:**

1. **First-year chemistry** students only.
2. **No advanced placement** students may participate.
3. Due to the Super Competition schedule, participants in the Chemistry Contest will not be able to take the Physics Contest (held simultaneously).
4. Periodic Tables will be provided.
5. **Students should bring their own battery operated or solar cell calculators.** Calculators will not be provided, and may not be shared during the test.
6. **Maximum number of student participants: 10 per school.**

### **Awards:**

- **Individuals:**
  - **Awards** will be presented to the **top three individual scorers** of the exam.
- **Teams:**
  - A **trophy** will be presented to the **school team** with the highest overall score in each of **two categories**:
    - Top public school team
    - Top private school team
